

Following are notes from the 10NOV2020 CISA teleconference. These notes are not all encompassing but will provide basic insight to the discussions.

- CISA
 - Election certification process continues to December 14
 - Thanks to election officials/poll workers who volunteered time
 - Some are receiving death threats and deserve our thanks
 - Will have several runoffs, we help provide those states with their mission.
 - Preparation for 2020 elections we were improved on the security space
 - Working with state/local to get them up to security standards
 - Building partnerships with different agencies and private sector
 - IC community partnerships were tighter
 - Seamless operations during this time, prior-post elections
 - Debunk misinformation quickly
 - -One was Iranian actors pretending to be the Proud Boys
 - Continue to see healthy amount of disinformation
 - Check our CISA rumor control page on elections
 - [CISA.gov/rumorcontrol](https://www.cisa.gov/rumorcontrol)
 - Questions on elections?
 - At one point do the IC those officials as well as the states going to push back and set the record straight and take certain other political figures who are putting election misinformation, such as Pompei advising Trump will be the new President?
 - Response: CISA and FBI directors and others have stated that we have no seen successful intrusion or foreign manipulation or interference with voting during the election. CISA director did say with partnership with FBI see disinformation campaigns happen to influence like the Iranians saying they were Proud Boys. Many Republicans, President are asking for due process for recount. Still has to go through the electoral process which ends in December.
 - COVID Medical
 - 156,318 test have been administered since November
 - Numbers keep going on
 - State reopening information should go to [NGA.org/coronavirus](https://www.nga.org/coronavirus)
 - Federal Guidance
 - Vaccine
 - Positive results from phase 3 for vaccine/90% effective

- Cyber Essential Toolkit
 - Better cyber practices
 - Great for small business
 - Risk assessment/ransomware
- Hurricane Season
 - Guide to build a better public/private BEOC
 - [FEMA.gov](https://www.fema.gov)
- Next call will be December 8th focused on trial vaccines
